"Наше прошлое значительно расширяет рамки исторической библиографии и вводит в нее новые, ранее не известные материалы, касающиеся Финляндии, Балтики, Ладожского озера, Финского залива и т. д."—26 prelim. leaf.
"Мы... расположили книги и статьи в алфавитном порядке по именам и в алфавитном порядке по фамилиям, а не по алфавиту, как это делают в большинстве библиографических указателей, что не способствует быстрому нахождению нужной литературы, то она сосредоточивалась на историческом материале, который был бы полезен для изучения истории Финляндии, а не для изучения ее литературы... способствуя распространению, в котором сближаются 'алфавитный' порядок с 'предметным'."—26 prelim. leaf.
